

This image is a vertical, high-contrast, black and white scan of a textured surface, likely a book cover or endpaper. A prominent vertical crease or fold line runs down the center, separating a lighter, textured left side from a darker, more uniform right side. The left side shows signs of wear, including small scratches and dust specks. The right side is predominantly black with some vertical banding and noise. The overall appearance is that of a heavily used, aged object.
